

Leadership Lab

OAK PARK-RIVER FOREST COMMUNITY FOUNDATION

Through the Lab, you will curate your own leadership journey with a series of in-person and virtual classes, a ten-month program that offers personal/professional coaching, skills development and a curriculum based on the most urgent needs of our diverse West Cook community. The Program has three important components:

| | | |
|---|--|--|
| <p>THE LAB Ten month program focused on leadership incubation for our community,</p> | <p>THE LIBRARY Set of leadership resources available to all Lab participants and alumni</p> | <p>THE LEAGUE Network of 200+ past participants who remain committed to the success of our region and each other.</p> |
|---|--|--|

We will provide you with a set of core leadership competencies that belong in a community leader's toolkit.
