

Request for Proposals

Submission Deadline: Friday, January 14, 2022 at 5:00 PM

Purpose:

The Future Philanthropists Program (FPP) is comprised of a select group of high school juniors who are engaged directly in the important role of community philanthropy. The purpose of FPP is to provide an intensive, year-long, hands-on learning experience through which they are taught the art, science, and business of philanthropy.

FPP is once again seeking proposals from eligible tax-exempt organizations in Oak Park, River Forest and bordering communities including Austin. Funds from the 2022 grants cycle may be used to expand existing programs or initiate new projects. A total of \$50,000 in grants will be awarded in this cycle. The maximum single grant award is \$7,500. FPP teens are solely responsible for making funding recommendations which are submitted to the Board of Directors of the Oak Park-River Forest Community Foundation.

Primary Program Requirements

To be considered, the proposal must demonstrate that the following requirements are met:

1. Young people (under 21 years of age) directly benefit from the program or project.
2. Young people are provided with leadership opportunities in planning, organizing and/or delivering the proposed program or project.
3. A learning component exists, beyond the project itself, which provides young people with specific knowledge about the purpose and activities of your organization.

Eligibility Guidelines

All applicant organizations must:

1. Be recognized by the IRS as a 501(c)(3) organization (or have a fiscal agent who is).
2. Affirm that the program or project will be completed prior to March 1, 2023.
3. Show evidence, if a past Community Foundation grant recipient, that all prior grant reporting requirements have been met.
4. An organization that has previously received **two consecutive-year** grants from FPP for the **same program or project** is ineligible. However, an organization that requests funding for a different program or project in the third year is eligible.

Guidelines for Writing a Proposal

All applicant organizations must complete and submit the 1) Executive Summary Page, 2) Proposal Narrative and 3) Project Budget, **in that order**. Proposals will be accepted only in electronic format as an attachment to an email sent to Karen Tardy, Program Coordinator, at fpp@oprfcf.org.
